ACCENT SERIES™ Specialty Vertical Merchandisers

GSVM-4060, GSVM-4072, GSVM-5272 Self-Contained, Medium Temperature Displays Produce, Dairy, Beverages and Deli Products . . . Salads, Pizza, Fresh Entrees, Wine, Cheese, and Floral

Design

The contemporary styling of the ACCENT SERIES places maximum attention on merchandising. A softer, rounder design featuring as standard a Kings Grey exterior color and Slate recessed base. The narrow canopy and plexiglass side panels increase product visibility. All ACCENT SERIES merchandisers have the same contour and line up together to create extended product displays.

Merchandising

Maximize display flexibility with a choice of three models...increase product facings with the GSVM-5272 or create an end cap spot display with the GSVM-4060 or GSVM-4072. The large, open front allows easy access to display levels for merchandising or shopping. Canopy and shelf lighting add more product illumination throughout the merchandiser.

Construction

Easy to clean interior and exterior. Easy to service slide out condensing unit. CFC-Free foamed-in-place urethane insulation. Timer controlled automatic defrost. Electric condensate removal. Thermometer. Two-position lighted cantilever shelves.

Refrigeration

Models GSVM-4060 and GSVM-4072 have front air intake and discharge. The GSVM-5272 has front air intake and rear air discharge which requires a 5" minimum open space behind the back of the case. State-of-the-art honeycomb discharge air system assures even temperature throughout...with maximum efficiency. Adjustable temperature control.

Warranty

Five years against insulation failure or leaks in insulated area. Five years against failure of compressor. One year against defective materials or faulty workmanship, including labor.
